2019 SPRING/SUMMER ACTIVITY GUIDE

Online Registration Begins March 6, 6 pm

INCLUDES 2019 FALL COMPETITIVE SPORTS

www.HowardCountyMD.gov/rap

Welcome to the Spring/Summer 2019 Activity Guide!

Welcome to the 2019 Spring/Summer Activity Guide. Inside you will find hundreds of classes, events and leagues to excite your mind and body.

In addition to our popular Wine in the Woods festival (page 14), we have free events such as our July 4th fireworks display (page 16), concerts in the parks (page 16), evening opportunities to look through the Illig Telescope at the observatory at Alpha Ridge Park (page 11), and outdoor movie nights at the scenic Belmont Manor and Historic Park (page 15).

New for this year is our Outdoor Adventure Encore series for active adults who are at least 55 years old (page 69). This series is geared toward older participants who want to try activities like archery, paddling, bird watching, and fishing.

Looking for fun activities for children? We have programs on topics ranging from STEAM (Science, Technology, Engineering, Art and Math) to lacrosse to nature and more that are tested, well-run and sure to please.

We hope you have a relaxing, fun and safe spring and summer!

Primitive Skills: Ancient Technologies

Have you ever wondered what it took to survive 2000 years ago? Test your skills through experimental archaeology with a focus on primitive skills. Experimental archaeology is a process by which an archaeologist replicates artifacts and features, such as structures, tools or ancient technologies to better understand how they were made and used. Join us as we explore ancient tool manufacture by flint knapping stone tools, practice with the spear and atlatl, construct a debris hut, construct and fire pottery using ancient techniques, and more! President Lincoln's Cottage – Washington, D.C.

President Lincoln and Soldier's Home National Monument, sometimes shortened to President Lincoln's Cottage, is a national monument on the grounds of the Armed Forces Retirement Home. Lincoln and his family resided seasonally on the grounds, as did President James Buchanan (1857-1861). The home also served as the Summer White House for President's Rutherford B. Hayes (1877-1881) and Chester A. Arthur (1881-1885). Uniquely, the cottage is the location where President Lincoln drafted the preliminary version of the Emancipation Proclamation. Join Howard County Bird Club Member David Cummings to track the elusive "Timberdoodle." Also known as the American Woodcock, the timberdoodle played a historic role in the creation of the 1,021 acre Middle Patuxent Environmental Area (MPEA). Now in decline, there are a few locations in Howard County where Timberdoodles still can be consistently found. David will meet you at the Robinson Nature Center and lead a carpool train to an area near the Patuxent River State Park where you will learn more about this fascinating bird. Dress warmly, and sharpen your eyes and ears as we hunker down in the twilight in anticipation of sighting this denizen of dusk.

Babes in Backpacks provides parents of infants an opportunity to explore the natural world with their newest family member.

Babes in Backpacks (Parent/Child)

This program provides our tiniest visitors the chance to become familiar with the sights, sounds, smells and textures of the great outdoors. Infants are exposed to new experiences that will build their comfort level when encountering unfamiliar objects and when spending time outside. Families learn how to help their children develop a familiarity with nature and encourage their child's sensory exploration from a young age. Enjoy a short walk on unpaved trails (requires infants to be in a baby backpack or carrier - trails are not stroller accessible). No online registration, call 410-313-0400.

NEW! Home School In-Depth Study 2019-2020

9 to 12-year-old home school students use each season for in-depth exploration of nature and science topics. Monthly lessons build on one another and allow for investigations over time. In Fall, students focus on ecology and investigate the way abiotic and biotic factors work together in our world. In Winter, we'll explore zoology and how animals behave, adapt and have structures that allow them to survive. Spring classes use ornithology, the study of birds, to introduce citizen science and look at patterns such as migration. Classes are held once a month. Sign up for each season (3 classes) in which you have interest.

Child Care

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) through middle school students, along with our Therapeutic Recreation Inclusion Opportunities (TRIO). Our goal is to provide a safe and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/rap and click on Child Care. For space availability, call 410-313-7275.

Early Learning Center

Early Learning Centers provide a safe, nurturing, active and creative learning environment for each child. Throughout the program, the children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, multicultural and cooking. There are instructional and self-directed activities throughout the day. All programs are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by September 1, 2018. If class minimums are not met, a combined class is offered.

Evening at the Theatre - *Hunchback of Notre Dame*

Join us for Toby's Production of *Hunchback of Notre Dame*. From the Academy Award-winning team of Alan Menken (*Beauty and the Beast*) and Stephen Schwartz comes a stunning retelling of Victor Hugo's epic story of love, acceptance and what it means to be a hero. As the bells of Notre Dame sound through the famed cathedral in fifteenth-century Paris, Quasimodo, the deformed bell-ringer, longs to be "Out There," celebrating the "Feast of Fools." A sweeping score with songs from the Disney animated feature and powerful story make *The Hunchback of Notre Dame* an instant classic. You will be swept away by the magic of this truly unforgettable musical. Participants must be able to function in 1:5 staff to participant ratio. Fee includes dinner and beverage.

Twinkle Stars Ballet and Tap: This special curriculum is an age-specific 45-minute class containing ballet, tap and jazz/creative movement. The purpose of the class is to introduce young dancers to the three styles of dance and inspire movement and creativity within a positive environment. Dancers will also learn basic steps and terminology in all three styles. For example, all dancers will learn what a plie is and how to demonstrate one. The use of fun, age-appropriate music engages the young dancers' minds and bodies. The use of props such as hula hoops for the freeze dance makes the end of class the most fun! Dancers should wear a leotard or dance dress, tights, pink ballet shoes and black tap shoes. No class 7/4.

Show Stars Ballet & Tap by Dance Connections, Inc

This curriculum fosters musicality, rhythm, body awareness, and movement to encourage individual artistry. Inspired by the work of Rudolf Von Laban and Irmgard Bartineff, the class explores the elements of dance (body, space, force, and time) through creative exercises. Classes prepare you for the attention to detail required in the study of formal ballet training. The tap portion stresses the basics and allows you to build into combinations which are great to watch and hear. Wear a leotard, tights, ballet and tap shoes.

Bridge

• In order of level.

Bridge Basics

Bridge is an enjoyable card game! It challenges your mind while making new friends. This class is for both those who have never played bridge and for those who would like a refresher.

Classes: 6

RP3507.301 Kiwanis-Wallas Hall Apr 2 9:30-11:30am Tu \$75

Advanced Bridge Basics

This class is for those people who have taken Beginner Bridge or for those who would like to improve their bidding techniques, as well as declaring and defensive skills. Enjoy discussion of modern bidding. There is considerable time for participants to play hands with the advice of a mentor.

Classes: 6

RP3526.401 Kiwanis-Wallas Hall Jun 18 9:30-11:30am Tu \$54

Intermediate Bridge

Begin with a review of the Standard American Bidding System including 1-level openings, weak & pre-emptive bids, strong bids, and slam bidding. Hand play and opening leads are discussed. Several of the commonly used conventions are presented, including Stayman, Jacoby Transfers, Bergen Raises, Jacoby 2NT, and Roman Key Card Blackwood. Bidding guides (rules of 9, 15, and 17) for specific situations are provided. In addition, approaches to opening light and doubling are examined. All material is supported by examples and play of hands during class; additional practice hands are provided for home study. Hand bidding and play analysis is provided for all hands.

Classes: 8

RP3538.301 Kiwanis-Wallas Hall Mar 11 9-11:30am M \$75

Bridge Seminar:

Two Over One Game Force Bidding Approach

Join us for a two-day seminar! Two Over One (2/1) Game Force is a straightforward adaptation of the Standard American bidding system that offers more bidding room and greater ease in getting to a game contract and investigating slam. Once the domain of only advanced players, today 2/1 is employed by players at all skill levels. 2/1 is compatible and easily integrated with the bidding approach you use today; NT openings, Stayman, transfers, weak 2s, pre-emptive bids, Gerber & Blackwood, and nearly all other conventions do not change. Conventions that fit well with 2/1, such as Bergen Raises, Drury, 4th Suit Forcing, and New Minor Forcing, are discussed on Day 2. Lunch is on your own. Discussion is supported with handout material, hand play during the seminar, and supplementary material for after seminar practice. Bring your partner or come and meet a potential new partner.

Classes: 2

We are now offering bocce ball.

Bridge Handplay:

Making Contracts & Other Neglected Topics

Once the auction is complete and the contract determined, the partnership lines are drawn. Declarer's job is to make a plan that satisfies the contract and squeezes out an overtrick or two; defender's job is to keep that from happening and grab as many undertricks as possible. Discussion is supported with handout material, hand play during the seminar, and supplementary material for after seminar practice. Bring your partner or come and meet a potential new partner.

Whether just learning to swim or fine-tuning your strokes - we have the class or clinic for you!

Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All our instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.

Group Lessons (0-18 yrs)

Baby Water Play: Parent/Child

Parents learn how to work safely with their children in the water, including how to appropriately support and hold them. The focus of the class is for children to develop water comfort. With an adult, children explore safe water practices including submerging, buoyancy, gliding and changing body position in the water through play. Swimming diapers must be worn in addition to swimwear. No class 7/4. Registration/Info 410-313-2764.

Sports

Coaches' and Administrator's Registry

All children's sports coaches and administrators (volunteer or paid) are members of the Coaches' and Administrator's Registry. Membership requirements include:

- Annual National background screening
- American Sport Education Program certification
- Concussion and Cardiac Arrest awareness training
- Membership badge with photo and membership expiration date to be displayed by coach on field/court

League Refund Policy

Unless otherwise directed in the community sport program description, a 20% administrative fee is deducted for all refund requests more than four (4) weeks prior to league starting; a 50% refund if withdrawal requested more than two (2) weeks prior to league starting; no refunds are given less than two (2) weeks prior to the start of the league. Registration is accepted on a first-come, first-served basis up to the registration deadline listed in each league description. Additional teams may be accepted at the league commissioner's discretion. Special requests for youth leagues should be made at the time of registration, are not guaranteed, and are at the discretion of the department.

Preschool Swimming

Registration/Info: 410-313-2764.

Level 1

Your child becomes familiar with the aquatic environment and learns basic water skills such as water entry and exit, breath control, buoyancy, treading and swimming on the front and back with support. This class creates the foundation for safe practices.

Level 2

Children become more independent through more advanced fundamentals of water entry and exit, breath control, buoyancy, treading and swimming on the front and back with assistance as needed.

Level 3

Children practice independent water entry and exit, breath control, buoyancy, treading and swimming on the front and back at a more proficient level. Emphasis is on improved coordination of combined simultaneous and alternating arm and leg actions.

Aikido with Ki

Martial arts and Ki training, taught by Japan's Shin Shin Toitsu Aikikai, promotes dynamic movement with unified mind and body. The Ki part is low-impact. The Aikido part involves practice with partners and rolling on mats. Effective self-defense techniques flow with and lead attackers' movements. We develop the benefits of keeping one point and extending ki. We emphasize safety, knowledge and enjoyment. No class 7/4. Info: Amanda Bartell, 410-313-1694 or abartell@howardcountymd.gov.

TGA Premier Middle School Tennis

The United States Tennis Association Mid-Atlantic Section (USTA MAS) proudly presents TGA Premier Youth Tennis, the first and only national tennis enrichment program in the country. Students will develop tennis skills utilizing smaller tennis courts and youth-friendly equipment in a play-to-learn style that gets them rallying and having fun right away. In addition, students will learn relevant character development and STEM skills such as sportsmanship, respect, math, science, technology, and more. Middle school programs include a focus on match play, team competition, and strategies to prep students for their future high school tennis team. Program is taught by USTA-trained and background-screened coaches. All tennis equipment is provided during the program (e.g. racquets, balls, pop up nets) and all students receive prizes. Ideal for new and novice tennis players. All participants must complete the USTA's waiver before participation in any program <https://tinyurl.com/USTAMASWAIVER>.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 2.

***Waiver:** In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2017 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw for a variety of reasons, but our policy encourages early decisions so as to not affect other customers or our ability to efficiently deliver the programs. At a minimum, all refund requests are subject to a 20% administrative fee. Additional fees may be assessed to recover costs associated with the program. Class programs require at least two weeks advance notice of withdraw to avoid the additional fees. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program time frame for refunds reflects planning time and team selections; check refund details on website. There are no refunds for missed sessions.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at 7am, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7am, programs in schools in progress may be completed but those later in the day will be canceled.

- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed. We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided

to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Sylvia Ramsey (Chair), Edward Coleman (Vice Chair), John R. Byrd (Recording Secretary), Sabina Taj (Board of Education Designee), Joanne Kiebler, Thomas Franklin, Daryl Anthony, David Grabowski, and Anna Boyd (Student Member).

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov and click on the "I want to" tab.

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on "Forms and Publications" or call 410-313-4639.

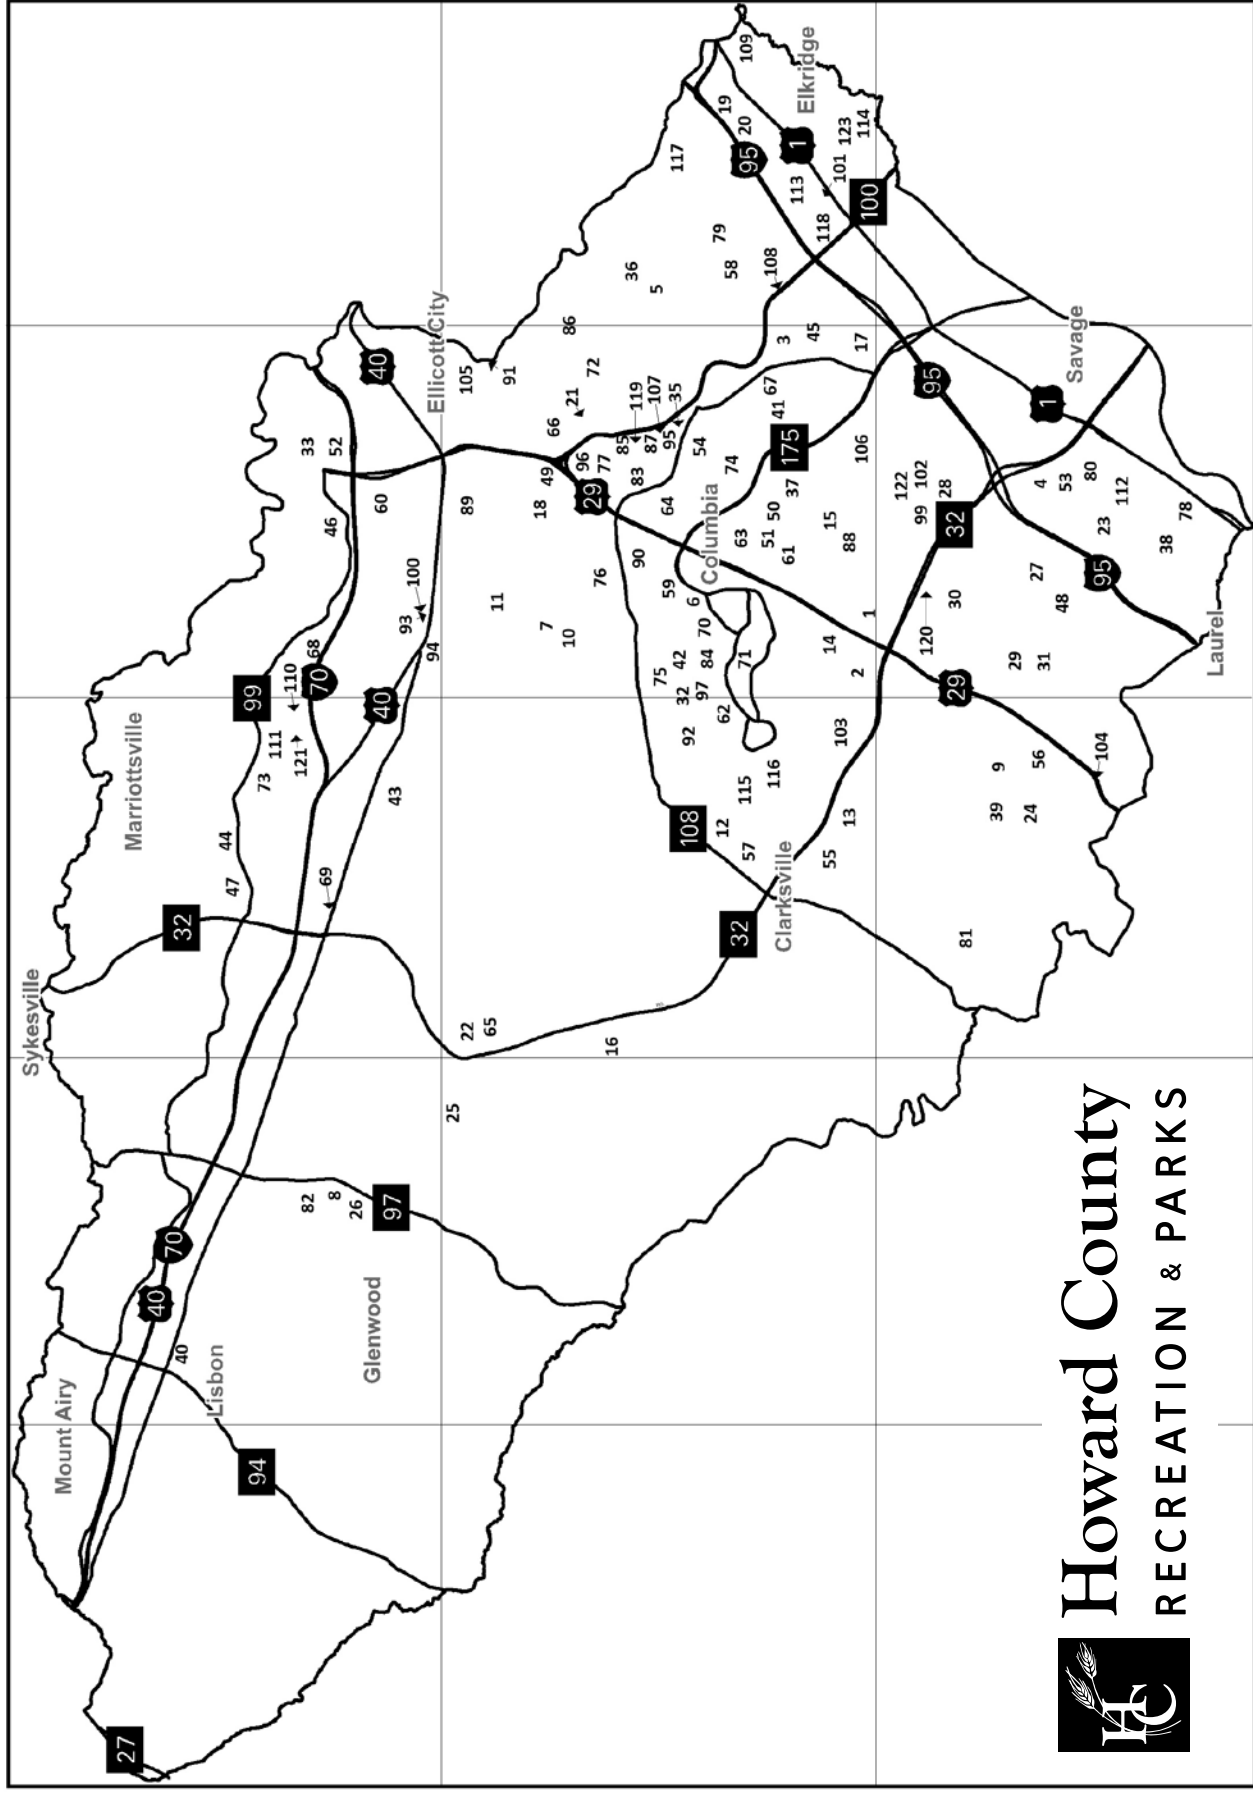

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. For sports, outdoor and fitness sponsorships, call Al Harden at 410-313-4652. For special events or other recreation sponsorships, call Phil Bryan at 410-313-1668.
